

Golfing on the Roof of the World

Nepal has enormous potential as a golfing holiday destination..... Fun golf courses and a superb climate.

Other than at the Gorkhana Forest Golf course do not expect international standards or conditions, but that in itself only adds to the experience of a fun, enjoyable and very different golfing orientated holiday in Nepal.

The best months are October through to mid April and offer some of the best golfing conditions in the world..... generally very little rain, lots of sunshine and the odd light breeze. The months of July through September are not ideal due the temperature and humidity (though we never get hot like India and Thailand does) and also the fact that it can often rain.

Day 4 Kathmandu – Pokhara – The Fulbari resort & Spa

Early morning round at Gorkhana and after lunch take the afternoon flight to Pokhara.

On arrival in Pokhara you will be met and transferred to The Fulbari Resort and Spa.

Relax and stay in with dinner at the resort.

Day 5 Pokhara – Fulbari Resort and Spa

Early morning round on the short but exciting and demanding 9 hole “Yeti’s” Golf course at the resort. Some of the tee shots over the Seti River gorge will never be forgotten!

The Fulbari Resort & Spa is the only property in Pokhara to have its own golf course, The Yeti’s Golf Course. It is a 9 Hole Executive Golf Course, designed to be Nepal’s most iconic and unique course that challenges not only amateurs but even pros. Overlooking the Seti River gorge, players not only have to navigate the usual water hazards and sand traps, but also the 300 ft. gorges that intersect some holes.

One needs 1 hour and 30 minutes to finish the first round of the holes. Sounds easy? But wait! It's quite difficult because of the deliberate small greens, narrow fairways and

closed out-of bound (O/B) fenced with surrounding water ponds. Although only 9 holes the use of alternate tees, greens, and pin positions, gives the feeling of playing a full 18 hole layout. The location is spectacular and a number of the tee shots across the Seti Gorge will mentally challenge even the very best golfer. But the area is tranquil, the views of the Himalayas to the north, and the Seti River far below, stunning, and by the 19th hole you really will have earned your refreshment.

After returning from your round of Golf relax at the hotel or head down to Lakeside for lunch and take a boat trip across the Phewa lake and then a hike up to the Japanese Peace Pagoda stupa in the afternoon (note: a vehicle may also be taken up to the Pagoda).

Return to the hotel and dinner at the Resort.

Day 6 Pokhara – Fulbari Resort and Spa – Dwarikas Hotel, Kathmandu

Non golfers can take an early morning trip to Sarangkot for spectacular mountain views and possible options of hang gliding or an exciting Micro flight.

Golfers can head off to the experience of a lifetime. To play the super scenic Himalayan course. A camera is equally as important as a set of golf clubs and lots of spare balls.!!!

After lunch take the afternoon flight back to Kathmandu.

Upon arrival you will be met and transferred to award winning Dwarika's Hotel which is located 5 minutes from the airport and 15 minutes from the tourist district of Thamel.

This Heritage style Hotel is beautifully designed with traditional Nepalese carvings and offers superb service and accommodation.

In the evening enjoy a farewell dinner at their famous Krishnarpaan Restaurant.
